---

**OBJECTIVE**- Second year Computer Science student with experience in programming, databases, and web development seeking co-op in summer of 2025 in software engineering.

## **EDUCATION**

### **BS, Computer Science**

Expected Graduation May 2027

**Rochester Institute of Technology** | Rochester, NY

GPA: 3.75

**Relevant Coursework**: Computer Science I and II, Discrete Math for Computing, Mechanics of Programming, Introduction to Computer Science Theory, Introduction to Software Engineering

**Activities**: RIT Student Marketing Advisory Council, Student run band Courtyard

### **MS, Computer Science**

Expected Graduation May 2028

**Rochester Institute of Technology** | Rochester, NY

### **High School Diploma, Software Engineering**

June 2023

**Brooklyn Technical High School** | Brooklyn, NY

**SKILLS**- Java, Python, C, SQL, Linux/BASH, HTML/CSS/JS, Documentation, Project Management

## **PROJECTS**

### **Courtyardtheband.com (Personal, Individual)**

September 2024

- Developed for student band Courtyard using HTML, CSS, JS, and Bootstrap.
- Deployed courtyardtheband.com
- Maintained website with relevant information as needed.

### **Animal Pictures (Academic, Team)**

May 2023

- Utilized API requests to access various online resources containing pictures of animals.
- Used JSON parsing libraries to handle API requests.
- Learned how to build a GUI with JavaFX and Swing in order to present animal pictures.

## **WORK EXPERIENCE**

### **Student Ambassador**

Rochester Institute of Technology | Rochester, NY

January 2024 – Present

- Conduct engaging and informative campus tours for prospective students and their families.
- Provide detailed information about academic programs and admission processes
- Share insights into the college's culture and values.

### **Assistant Supervisor**

FDR State Park | Yorktown Heights, NY

May 2024 – August 2024

- Assisted the supervision of the FDR state park “pool crew”, responsible for tasks crucial to the upkeep and operation of the largest pool across all New York State Parks.

### **Camp Counselor**

Kings Bay Y | Brooklyn, NY

June 2022 - August 2022

- Developed and implemented activities to meet the physical, emotional, and social needs of children.
- Supervised and monitored the safety of children.
- Organized age-appropriate activities such as games, crafts, music, and outdoor play.
